## Sponsorship Form

Dear Family and Friends of Conservatory of Dance:

Conservatory of Dance is the home of a very special competition and performance dance company. These dancers learn to share their talent and love of dance with others in the community supporting causes such as The Walk for Autism, The Race for a Cure, and Juvenile Diabetes. They learn to work as part of team and to be there to support each other in dance as well as other aspects of their lives.

It is in great part through your generous support that these young dancers are given this opportunity to compete and perform. We are offering sponsorships of three levels to help defray costs to the dancers. Your generosity makes it possible for these young dancers to realize their dreams and become a part of a creative, healthy wholesome activity. These levels are only a suggestion. Please feel free to commit any amount to help these dancers succeed!
