

**Summer Dance Camp
At
Conservatory of Dance**

Summer Dance Camp at Conservatory of Dance is a full day of dance & fun. We will explore all forms of dance, from Ballet to Tap, Jazz to Musical Theater, Hip-Hop to Swing! For each of the two week sessions, students of all ages will be exposed to each form of dance, while preparing for a performance showcase. The showcase will allow students to perform a mini-musical as well as present some of the other dances that they will have learned throughout their time in the camp.

We will again offer vzba half day camp for young dancers ages 3 through 6, that will meet from 10 am-1:00 pm. These dancers will experience the magic of movement while exploring the foundations of dance.

This summer program will nurture a child's love of dance as well as provide a creative environment full of dancing, exercise and friendship culminating in a performance opportunity that will bring together all that they have learned.

Join our faculty for either one or both of the sessions. You'll be amazed at how your child will dazzle you!

Bill & Leah Hotaling
